Core Participation Requirements:	<p>Communication: Students must be able to participate in and produce performances and exhibitions as required; they will also need to communicate effectively and efficiently in oral and written forms. Communication with fellow students, professional and academic staff, and the wider public about their knowledge and application of practising Arts disciplines is essential. Creative, Intellectual and Organisational Abilities: Students require the capacity for high-level creative performance or production. They are also expected to have the ability to develop problem-solving skills and to comprehend disciplinary and crossdisciplinary information. Students must have the ability to establish study plans and prioritise training objectives and outcomes. Behavioural and Social Attributes: Students must possess behavioural and social attributes that enable them to participate in a complex learning environment. They must take full responsibility for their own participation and learning. Students also contribute to the learning of other students in collaborative environments and must therefore demonstrate a wide range of interpersonal skills which consider the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. Disability: For the purposes of considering requests for Reasonable Adjustments under the Disability Standards for Education (Cwth 2005), and Students Experiencing Academic Disadvantage Policy, academic requirements for this subject are articulated in the Subject Overview, Objectives, Assessment and Generic Skills sections of this entry. It is University policy to take all reasonable steps to minimise the impact of disability upon academic study, and reasonable adjustments will be made to enhance a student's participation in the University's programs. Students who feel their disability may impact on meeting the requirements of this subject are encouraged to discuss this matter with a Faculty Student Adviser and the Disability Liaison Unit: http://www.services.unimelb.edu.au/disability/</p>
