Subject Overview:	The content of this subject is dependent on the interests and expertise of the student. This subject functions to provide students with the opportunity to do supervised research on a topic not normally treated in the undergraduate curriculum. The student should gain skills in independent research and acquire the ability to apply historical, philosophical and social forms of analysis to a piece of scientific work of particular personal and intellectual interest.
Learning Outcomes:	Students who successfully complete this subject will
	 gain skills in independent research. acquire the ability to apply historical, philosophical and social forms of analysis to a subject matter of particular interest to him or her.
Assessment:	Written work totalling 5000 words, due during the examination period (100%) Note: Assessment submitted late without an approved extension will be penalised at 10% per day. After five working days late assessment will not be marked.
Prescribed Texts:	Texts will be determined in consultation with the supervisor.
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
