

LAWS70388 Gambling Law

Credit Points:	12.5
Level:	7 (Graduate/Postgraduate)
Dates & Locations:	This subject is not offered in 2016.
Time Commitment:	Contact Hours: The total class time is between 24 and 26 hours. Total Time Commitment: The pre-teaching period commences four weeks before the subject commencement date. From this time, students are expected to access and review the Reading Guide that will be available from the LMS subject page and the subject materials provided by the subject coordinator, which will be available from Melbourne Law School. Refer to the Reading Guide for confirmation of which resources need to be read and what other preparation is required before the teaching period commences.
Prerequisites:	None
Corequisites:	None
Recommended Background Knowledge:	Applicants without legal qualifications should note that subjects are offered in the discipline of law at an advanced graduate level. While every effort will be made to meet the needs of students trained in other fields, concessions will not be made in the general level of instruction or assessment. Most subjects assume the knowledge usually acquired in a degree in law (LLB, JD or equivalent). Applicants should note that admission to some subjects in the Melbourne Law Masters will be dependent upon the individual applicant's educational background and professional experience.
Non Allowed Subjects:	None
Core Participation Requirements:	The Melbourne Law Masters welcomes applications from students with disabilities. The inherent academic requirements for study in the Melbourne Law Masters are: The ability to attend a minimum of 75% of classes and actively engage in the analysis and critique of complex materials and debate; The ability to read, analyse and comprehend complex written legal materials and complex interdisciplinary materials; The ability to clearly and independently communicate in writing a knowledge and application of legal principles and interdisciplinary materials and to critically evaluate these; The ability to clearly and independently communicate orally a knowledge and application of legal principles and interdisciplinary materials and critically evaluate these; The ability to work independently and as a part of a group; The ability to present orally and in writing legal analysis to a professional standard. Students who feel their disability will inhibit them from meeting these inherent academic requirements are encouraged to contact the Disability Liaison Unit: www.services.unimelb.edu.au/disability/
Contact:	For more information: Email: law-masters@unimelb.edu.au (mailto:law-masters@unimelb.edu.au) Phone: +61 3 8344 6190 Website: www.law.unimelb.edu.au/masters (http://www.law.unimelb.edu.au/masters)
Subject Overview:	<p>Gambling is one of the most heavily regulated industry sectors in Australian society, yet is a leisure activity enjoyed by many Australians. This subject will provide background to the manner in which it is regulated in Australia, and internationally, and provide guidance on the challenges facing the sector and how it may be regulated in the future. The subject will also address emerging issues affecting the gambling sector, including the impact of new technologies and the globalisation of the industry.</p> <p>The two lecturers are leaders in the field. Jamie Nettleton is recognised internationally as a leading expert in legal issues relating to the gambling industry and advises all categories of operators within the gambling industry. Professor Rose is an internationally recognised scholar in the area with more than 1,500 published works and as a public speaker, often the keynote speaker on gambling issues.</p> <p>Principal topics include:</p> <ul style="list-style-type: none"> # What is gambling? # The regulation of the Australian gambling sector

	<ul style="list-style-type: none"> # The policy, business and legal challenges posed to the success of the Australian gambling sector, both within Australia and from international sources # The best compliance model for the regulation of the sector.
Learning Outcomes:	<p>A student who has successfully completed this subject will:</p> <ul style="list-style-type: none"> # Have an advanced and integrated understanding of the principles of Australian and international gambling law, including recent developments in this field of law and practice # Be able to critically examine, analyse, interpret and assess the effectiveness of these legal principles # Be an engaged participant in debate regarding emerging and contemporary issues in the field, such as the borderless nature of gambling via the internet, integrity controls and problem gambling # Have a sophisticated appreciation of the factors and processes driving parliamentary revision of the legal and regulatory framework both domestically and internationally # Have an advanced understanding of situations in which gambling law issues may arise in industry and management practices # Have a detailed understanding of gambling law issues in an international context # Have the cognitive and technical skills to generate critical and creative ideas relating to gambling law issues, and to critically evaluate existing legal and regulatory theories, principles and concepts with creativity and autonomy # Have the cognitive and technical skills to independently examine, research and analyse existing and emerging legal issues relating to gambling # Have the communication skills to clearly articulate and convey complex information regarding gambling law issues relevant to specialist and non-specialist audiences # Be able to demonstrate autonomy, expert judgment and responsibility as a practitioner and learner in the field of gambling law.
Assessment:	10,000 word research paper (100%) (19 August) on a topic approved by the subject coordinator
