In ranking applications, the Selection Committee will consider:</p> <ul style="list-style-type: none"> • prior academic performance. <p>3. The Selection Committee may seek further information to clarify any aspect of an application in accordance with the Academic Board rules (http://about.unimelb.edu.au/academicboard/resolutions) on the use of selection instruments.</p> <p>4. Applicants are required to satisfy the university's English language requirements for postgraduate courses. For those applicants seeking to meet these requirements by one of the standard tests approved by the Academic Board, performance band 7 (http://about.unimelb.edu.au/academicboard/resolutions) is required.</p>		
Core Participation Requirements:	<p>The Melbourne Graduate School of Education welcomes applications from students with disabilities. It is University and Graduate School policy to take reasonable steps to enable the participation of students with disabilities, and reasonable adjustments will be made to enhance a student's participation in the Graduate School's programs. The core participation requirements for study in the Melbourne Graduate School of Education are: In all courses The ability to comprehend complex information related to education and the disciplines in which the student is teaching. The ability to communicate clearly and independently in assessment tasks a knowledge of the content, principles and practices relating to education and other relevant disciplines. Behavioural and social attributes that enable a student to participate in a complex learning environment. Students are required to take responsibility for their own participation and learning. They also contribute to the learning of other students in collaborative learning environments, demonstrating interpersonal skills and an understanding of the needs of other students. Assessment may include the outcomes of tasks completed in collaboration with other students. Students who feel a disability will prevent them from meeting the above academic requirements are encouraged to contact the Disability Liaison Unit.</p>		
Further Study:	<p>Graduates from this program are eligible to apply for entry to the Doctor of Education program or a PhD after completion of a 50-point Postgraduate Certificate in Educational Research, provided they meet the entry requirements and subject to achievement of an H2A GPA. Please note also that graduates of an undergraduate Honours degree may already be eligible for doctoral studies, subject to the same entry and achievement requirements.</p>		
Graduate Attributes:	<p>Academically Excellent:the course is based on the latest research into language and literacy teaching, and encourages an inquiry approach in the students. Knowledgeable across disciplines:While being firmly lodged within the discipline of language and literacy, the course will develop in students a deep understanding of how language and discourse are fundamental in constructing all disciplines. Leaders in Communities:The course is constructed to develop leaders in literacy within schools.There is a specific subject on leadership included. Attuned to cultural diversity:The cultural basis of literacy is a constant theme in the program, as is literacy learning for those for whom English is an additional language. Active global citizens:The development of critical awareness about major global issues, as constructed in verbal and visual representations is an aim of the program, and the way English is used globally in electronic communication will be a constant theme.</p>
