Subject Overview:	<p>Development of the basic scoring and arranging skills for wind band ensembles through the study of the ranges, transpositions and capabilities of band instruments, sonorities of instruments in combinations, and considerations of balance. Differences between traditional and modern bands, and special considerations when arranging solo pieces with accompanying band, will also be examined. This subject will include thorough analysis of these principles in selected examples from band literature, and implementation of them in short exercises, and one complete piece chosen by each student as a final project.</p> <p>This subject can be taken as a single subject via the Community Access Program, or for credit towards the Master of Music Studies degree. Further information regarding the Community Access Program and Application forms can be accessed via this website - http://futurestudents.unimelb.edu.au/courses/single_subject_studies (http://futurestudents.unimelb.edu.au/courses/single_subject_studies)</p>
Learning Outcomes:	On completion of this subject, students should have gained an ability to compose simple, practical arrangements for wind band ensembles.
Assessment:	Attendance and participation (10%); Six short assignments during the first three days (30%); Final project - one complete original arrangement for band, presented to the class on Assessment Day, 6 weeks after final teaching date (60%).
Prescribed Texts:	A reading pack with relevant musical examples will be distributed prior to the first class.
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
