Subject Overview:	<p>This subject is designed to further develop the skills and extend the experience of those students already in gainful employment in a publishing or communications environment. With the support of the subject coordinator and the mentorship of a senior staff member in their place of employment, they will investigate their company's business in order to understand its position within the broader industry. As well as taking part in their ongoing day-to-day work, students will undertake a research project of concrete and practical benefit to their organisation. The research topic will be negotiated between the student, the organisation's management or employee's mentor, and the subject coordinator. Students will develop skills in conducting effective and timely research, analysis and report-writing, and will also gaining deeper insight</p>														

	into a particular model of contemporary publishing and communications practice. They will exercise the skills in writing, editing, print and web production they have developed through their university studies and apply them directly to their current professional environment.
Learning Outcomes:	<ul style="list-style-type: none"> # have had an opportunity for reflection and analysis on the culture, conditions and practices of the workplace; # have developed a capacity to critically evaluate their experience and to share their findings through written and oral reports; and # have an extended ability to apply research concepts, frameworks and techniques in a practical setting.
Assessment:	Reflective journal assignment of 2000 words: 500 words due 25 hours after the commencement of the placement, 1500 words due one week after the conclusion of the placement, worth 20%. Research report of 8,000 words due 3 weeks after the conclusion of the placement, worth 80%. Students must attend a minimum of 80% of supervisory meetings and placement to pass the subject.
Prescribed Texts:	A subject reader will be available.
Breadth Options:	This subject is not available as a breadth subject.
Fees Information:	Subject EFTSL, Level, Discipline & Census Date, http://enrolment.unimelb.edu.au/fees
Generic Skills:	<ul style="list-style-type: none"> # written and oral communication skills through contribution to workshop discussions and participation in workplace-based discussions and reporting sessions; # a capacity for effective teamwork through group discussions and collaboration with the workplace mentor and other staff; # skills in research, including the use of online sources and oral/interview materials as well as published documents; # skills in time management and planning through managing workloads for recommended reading, workshop presentations and assessment requirements; and # a capacity for critical analysis through engagement with and critique of a range of publishing strategies.
