Subject Overview:	This subject builds on the student's studies in Stage Management Techniques 1B It concentrates on the skills and techniques required to progress from the role of Assistant Stage Manager to that of a Stage Manager who can 'call' a show. Students will be given opportunities to observe professional Stage Managers 'show calling' in performance and be able to reflect on how this compares to their own practice.								
Learning Outcomes:	At the conclusion of this subject the students should be have the ability to recognize and understand different styles of theatrical performance and to confidently choose the appropriate Stage Management skills for each specific environment including Orchestral Management. They should have the ability to build and lead a team of Assistant Stage Managers and Technical crew in each specific environment, throughout the production process.								
Assessment:	Module 1: Research paper (700 words) due week 4, Dance prompt copy and show call a dance due mid semester (1300 word equivalence). Module 2: Research paper (700 words) due week 4, Prompt copy from a musical score and a show call from 2 recordings due mid semester (1300 word equivalence).
